

Preston Lantern

ABOUT US

JW UK offer a complete and comprehensive manufacturer, supply and installation service for all types of exterior lighting and street furniture. Established in 1999 we have completed work for many government organisations and large corporate clients and throughout our website you will find many examples of our work. We are also involved in a large amount of commissioned work and are able to complete any design from initial concept.

JW UK LTD is a manufacturer specialising in the production and restoration of traditional lighting and street furniture.

These services have been supplied to local authorities and other large organisations, in the UK as well as overseas, along with a growing number of lighting suppliers, construction companies and household customers. Great emphasis is now being placed by planners and architects on the improvement of out of town, leisure and domestic environments by the provision of specially designed street lighting and furniture.

The Preston Lantern can be manufactured in various different ways, these being: -

- Aluminum – with a large range of Polyester Powder Coated Finishes.
- Highly Polished Copper finish.
